

CNY Chinese School Parent Volunteer Duty Instructions

Parent volunteer Duty Sign-up

The CNY Chinese School encourages all parents to actively involve and participate in Chinese School's services and management. Each semester, Chinese school will collect \$50 volunteer deposit from each family. All families are expected to complete 5 hours of volunteering services per semester. Chinese school will refund the volunteer deposit at the rate of \$10/hr of volunteer service. Parents can complete these 5 hours by signing up to help maintain school safety during school time, clean classrooms or help at events organized by Chinese School. In general, every family can sign up for up to 5 hours of volunteering work to fulfill the requirement. If there are additional volunteer hours available, parents are welcome to continue to sign up and they will get paid for \$10/hr as well. **Due to any circumstances, if parents cannot complete the volunteer hours, the volunteer fee will not be able to refund to them. The fee will be used for hiring people to do their duty or use for future Chinese School programs.**

Every family (except Chinese School teachers' families) please sign up for volunteer services on the school opening day. A Duty Sign-up Sheet will be provided. Please select an available date and provide your contact information, including phone number.
